# 1<sup>st</sup> World Acupuncture Forum (WAF) 2022

Davos, March 14-18, 2022

Dear participants, dear colleagues, dear friends!

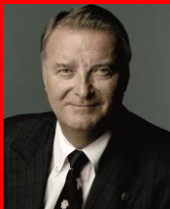

The 1<sup>st</sup> World Acupuncture Forum will take place in Davos, Switzerland. This Forum shall serve as an opportunity to present and discuss the state of the art of multidisciplinary approaches to acupuncture and related fields. Honored leaders and distinguished guests from all over the world will come to Davos to attend the congress.

The conference venue of WAF 2022 will be the 'World's Finest Meeting Place'. This is a cordial invitation to all of you to become an active part of this event.

As congress chairmen from Germany and Austria and co-organizer from China we have the great honour and pleasure to welcome you on behalf of the organizing committee to this First World Acupuncture Forum in Davos.

The organizers will invite experts and scientists in acupuncture from all over the world. They will present their most recent research and describe current scientific trends within the topic. A series of poster presentations will complete the lectures.

We will do our best to create a perfect meeting atmosphere in Davos, Switzerland, Europe in March 2022.
